

CalibrationOne®

Pipette Decontamination Form

This form MUST be attached to each pipette order sent to our lab for calibration.

Failure to attach this form will result in service delays and/or equipment being returned without being serviced. It is the responsibility of the sender to remove all substances that are dangerous to human health and to choose the appropriate method of decontamination based upon the substance used in the pipette.

Open form in Adobe Acrobat to fill out editable fields.

Company: _____ Contact: _____

Address: _____

Phone: _____ Email: _____

Volume	No. of Channels	Serial No.*	Calibration Level 1, 2, 3 or Repair	Comments
